Building a Christ-Centered Foundation for a Lifetime of Learning

GREAT START TO THE NEW YEAR!

Weekly chapel began on Wednesday mornings in January. Pastor Dawn and Pastor Doug have given us some great lessons, coloring pages, and bible verses. The children really enjoy meeting in the sanctuary for Bible stories and prayer time. Remember—Parents are invited to attend too!

We've also implemented a weekly large motor development time on Thurs. and Fri. mornings. We've had lots of fun skating on paper plates and running under the parachute.

Our study of the Gingerbread man was very

interesting. We compared the stories and found that sometimes there was a happy ending and sometimes the ending was sad. We also compared the characters in each story and found that they are not always the same or in the same order.

The boys and girls have really been excited about our science experiments too! We made crystals on pipe cleaner snowflakes during our Snow study and found out what happens to gingerbread when it gets wet. We also tasted ginger cookies just like the fox!

Valentine Cards

Please send cards the day of your child's party. This is a great time for your child to practice writing his/her name. Start early. It takes a while! Leave the envelopes blank so your child can just drop one into each classmate's Valentine bag. Your teacher will let you know how many to bring.

Prayer circle during chapel, parachute fun, ginger cookies, & skating!
